RE: July Monthly Report

During the month of July the West Lafayette Police Department received **1,267 calls for service**, a decrease of 65 calls (0.5%) from June, and we were nearly flat (13 fewer calls) from July 2008.

In late July Rick Walker was hired to head the newly formed Neighborhood Resource Team in the police department. The Team will handle parking enforcement, animal control and nuisance code enforcement, including over occupancy investigations. Residents may contact the police dispatch center with complaints for the team all hours of the day or night.

Mr. Walker recently retired as a lieutenant after 24 years of service with the Tippecanoe County Sheriff's Office. During his long career at the Sheriff's Office, Mr. Walker held numerous positions as a senior administrator, including 911 Director and Systems Manager for all of the area law enforcement and fire agencies.

Respectfully submitted,
